Enrollment

Enrollment for the Middle School Program is based on either a per club basis or being full time enrolled which means they can attend every day. Students attending 3 or more clubs a week will automatically be enrolled as full time. Both full time and club based enrollment tuition is based on a sliding scale. A club sign up form will be sent home prior to each new club session. This registration form is only required to be filled out once per year, please send in the club sign up form prior to each session starting so we may plan for and expect your child to be in attendance. If your child is not going to be present for a club for any reason please send a note or email the Program Director. When a student is enrolled in our program we expect them on the days they are signed up for unless we hear otherwise from a parent or guardian.

Tuition & Payments

Payments Due: Tuition is due by the 15th of each month prior to your student attending Project Edventure, payment for the first month of school is due on the first day your child attends the program. Please make sure all your payments are made on a timely fashion and that there is clear communication with the Program Director if you are not able to make your payment on time. If payments have not received prior to the start of the month your child will not be able to attend the program.

Middle School Afterschool is billed per session rather than per month. Payments for Middle School programming is due upon the receipt of the club sign up form or at the start of each new session that they are signed up for. A schedule of each session is listed below. Club offerings will be emailed out a week prior to a new session starting.

Please make all payments by check or money order. Cash payments will not be accepted. Checks may be made payable to Marlborough School District and brought in a sealed labeled envelope to the main office or put in the payment box at the sign in table. An invoice will no longer be provided monthly and will only be sent out if payment is not received by the due date.

Sibling Discount: For each additional student you have enrolled in Project Edventure your payment rate goes down one step. (Example: if you qualify for Full Pay Lunch your second student would come at the Reduced Lunch Rate, your third student would come at the Free Lunch Rate.) There is no sibling discount if your family qualifies for Free Lunch. The oldest child is billed at the lower rate.

Scholarships: Every family may apply for a scholarship, regardless of your free/reduce lunch status. We encourage all families to contact the Program Director directly to discuss your payment options if your payment bracket does not meet your family's needs.

Enrollment: The following payment schedule is for Full Time enrolled students. When your student is enrolled Full Time they are welcome to come any and all days of the week. They are automatically signed up for a club each day and all fees or dues are included in your student's tuition. Full Time enrolled students take top priority and have the first choice of which clubs they would like to join. Any student enrolled for 3 or more days are automatically considered and billed at the Full Time rate.

Middle School students may be enrolled full time by session or enrolled per club, the per club rate covers all days that club is run.
